4 April 2014

To Shareholders and, for information only, to participants in the SPARK Share Option Schemes

Dear Shareholder,

Notice of General Meeting

Change to Investing Policy

Proposed Return of Cash to Shareholders equivalent to 4.5 pence per Existing Ordinary Share by way of either a Tender Offer or a Special Dividend

1. Introduction

I am writing to give you details of the proposed resolutions and certain special business to be considered at the Company's forthcoming General Meeting to be held on Friday 25 April 2014 at 10.00 a.m. at the offices of Bracher Rawlins LLP, 2nd Floor, 77 Kingsway, London, WC2B 6SR.

Return of Cash

As you are aware, on 7 August 2009 the Company received the approval of Shareholders to an alteration to the Company's investing strategy so that no more investments would be made into new businesses and that existing investments would be sold, when appropriate, with a view to all existing investments being realised over the period to 31 March 2014.

SPARK has successfully implemented this strategy, returning approximately £34.87 million to shareholders to date pursuant to previously authorised return of cash schemes.

SPARK is now seeking to provide Shareholders with a further Return of Cash of an amount equivalent to 4.5 pence per Existing Ordinary Share (in aggregate approximately £18.5 million) ("Return"). This Return of Cash will be carried out in the same manner as previous returns of cash.

Change to Investing Policy

In addition in accordance with Rule 8 of the AIM Rules, the Company is seeking the consent of the Shareholders at the General Meeting to its proposed revised investing policy. SPARK proposes to alter the investing policy of the Company by extending the deadline by which all remaining investments made by the Company are intended to be realised and the proceeds of such sale returned to the shareholders from 31 March 2014 to 31 March 2015. It is proposed that the Company's investing policy will, if approved, read as follows:

- Make no more investments into new businesses from its own balance sheet resources and will seek to realise its Existing Investments over the period to 31 March 2015. The Company will be restricted to making investments in assets or companies that are included in its Existing Investments;

- Make further follow-on investments and realise its Existing Investments where to do so will enhance Shareholder value on a sale;
- Seek to actively manage its Existing Investments where the Directors consider to do so will enhance Shareholder value on a sale. It is intended that the Existing Investments will be progressively realised over the period up to 31 March 2015; and
- Return surplus cash to Shareholders arising from its cash reserves and from the realisation of Existing Investments on at least an annual basis (subject to the Company maintaining sufficient working capital). The Company intends to make progressive returns of cash to Shareholders up to 31 March 2015.

The purpose of this document is to explain and seek Shareholder approval for the Proposals and also to explain the choices available to Shareholders in relation to the Return of Cash. The implementation of the Return of Cash is conditional upon approval by Shareholders of Resolutions 1 and 2 at the General Meeting and Admission.

Please read the whole of this document and not just the summarised information set out in this letter. Shareholders' attention is drawn to the further information set out in Parts 2 to 6 of this document.

2. Background to and reasons for the Return of Cash

SPARK announced today its intention to provide Shareholders with a further Return of Cash of an amount equivalent to 4.5 pence per Existing Ordinary Share (in aggregate approximately £18.5 million). This represents approximately:

- 50 per cent. of the Company's closing middle-market share price of 9 pence per Existing Ordinary Share on 3 April 2014 (the latest practicable date before publication of this document); and
- 39.5 per cent. of the Group's net asset value as at 30 September 2014, being the date of the last published net asset value of the Group.

It is proposed that the Return of Cash will be effected by means of the sub-division of each Existing Ordinary Share into either a New Ordinary Share and a B Share or into a New Ordinary Share and a C Share, which are intended to give Shareholders, where eligible under their prevailing tax regime (such as the UK), the flexibility to treat the Return of Cash as either capital or income for tax purposes, or a combination of the two.

The implementation of the Return of Cash involves a number of steps, which are all subject to approval of the Shareholders at the General Meeting:

- each Existing Ordinary Share in issue at the Record Time will be sub-divided into one New Ordinary Share together with either one C Share or (at the election of each Shareholders) one B Share. The B Shares will be purchased by finnCap as principal pursuant to the Tender Offer for 4.5 pence per B Share and the C Shares will entitle their holders to receive the Special Dividend of 4.5 pence per C Share;
- Shareholders will automatically receive C Shares unless they elect for B Shares;
- Shareholders (except for Shareholders not resident in the United Kingdom or with no registered address in the United Kingdom or who are citizens resident in or nationals of other countries "**Non-United Kingdom Shareholders**" who will be deemed to have elected for C Shares) who elect to participate in the Tender Offer will have their B Shares purchased by finnCap as principal for 4.5 pence per B Share. finnCap has a put option to sell such B Shares off-market to the Company for cancellation pursuant to the Repurchase Agreement;
- Shareholders (including Non-United Kingdom Shareholders who will be deemed to have elected for C Shares) who elect to receive a Special Dividend will be paid a Special Dividend of 4.5 pence per

C Share held and, following such payment, each C Share shall automatically convert into a 2014 Deferred Share; and

- the New Ordinary Shares will be traded on AIM in the same way as Existing Ordinary Shares and will be equivalent in all other respects to the Existing Ordinary Shares, with the exception of the difference in nominal value and subject to the rights of the B Shares, C Shares, existing D Shares and 2014 Deferred Shares (as applicable).

If the Return of Cash is approved by Shareholders at the General Meeting, it is expected that CREST accounts will be credited, or cheques despatched, in respect of the Tender Offer for the B Shares and the Special Dividend on the C Shares, by 5 May 2014.

Further details of the steps required to implement the Return of Cash are set out in Part 2 of this document. The Alternatives are described more fully below in paragraph 3 of this Part 1.

3. The Alternatives

The Alternatives for the Return of Cash available to Shareholders are summarised below and explained in further detail in Part 4 of this document. Shareholders may split the aggregate amount to be returned to them between the Alternatives.

Shareholders who do not make a valid election and Non-United Kingdom Shareholders will be deemed to have elected for the Dividend Alternative in respect of ALL of their Share Entitlement.

The general guidance on the UK tax treatment included below is only a summary, is based on current UK law and practice as at the date of this document and applies only to Shareholders who are resident and, if they are individuals, ordinarily resident in the UK for tax purposes and who hold their Existing Ordinary Shares, beneficially as investments and not on trading account. UK tax resident Shareholders should read Part 5 of this document as the Alternatives will have different UK tax consequences.

Shareholders who are in any doubt as to their tax position, or are subject to tax in a jurisdiction other than the United Kingdom, should consult an appropriate professional adviser without delay.

- ***Alternative 1 – Capital Alternative (B Shares)***

Shareholders who elect for the Capital Alternative in respect of their Share Entitlement will receive one B Share (in addition to one New Ordinary Share) for each Existing Ordinary Share they hold at the Record Time.

It is intended that the B Shares will be purchased pursuant to the Tender Offer by finnCap as principal and the amount paid pursuant to the Tender Offer will be 4.5 pence for each B Share purchased. Proceeds will be sent to relevant Shareholders by 5 May 2014. The terms and conditions of the Tender Offer are set out in paragraph 5 of Part 2 of this document. finnCap has a put option to sell such B Shares off-market to the Company for cancellation pursuant to the Repurchase Agreement.

The amounts received under the Capital Alternative should generally be taxed as capital for UK tax purposes. UK tax resident Shareholders should read Part 5 of this document for further information.

The attention of Non-United Kingdom Shareholders is drawn to paragraph 4 of Part 2 of this document.

- ***Alternative 2 – Dividend Alternative (C Shares)***

Shareholders who elect or are deemed to have elected for the Dividend Alternative in respect of their Share Entitlement will receive one C Share (in addition to one New Ordinary Share) for each Existing Ordinary Share they hold at the Record Time. A Special Dividend of 4.5 pence will become payable on each such C Share and will be paid to relevant Shareholders by 5 May 2014. Immediately after payment of the Special Dividend, the C Shares will automatically convert into 2014 Deferred Shares. The 2014 Deferred Shares arising on conversion of the C Shares will not be listed, will have extremely limited rights and will have negligible value. The Company will have the right to purchase all of the

2014 Deferred Shares for an aggregate sum of one penny. If the Company purchases the 2014 Deferred Shares, this will be treated as a disposal of the 2014 Deferred Shares by the Shareholders. In view of the negligible amount of this consideration, Shareholders' entitlements will not be paid.

The amounts received under the Dividend Alternative should generally be taxed as income for UK tax purposes. UK tax resident Shareholders should read Part 5 of this document for further information.

The attention of Non-United Kingdom Shareholders is drawn to paragraph 4 of Part 2 of this document.

Details of how to complete and return an Election Form are set out in Part 3 of this document. Shareholders electing through CREST should refer to paragraph 2 of Part 3 of this document for further information.

Shareholders wishing to receive the Special Dividend in respect of all of their Share Entitlement need NOT complete or return the Election Form (but should still complete and return the Form of Proxy if they so wish) or make an election through CREST as C Shares will be issued and the Special Dividend paid automatically in respect of all of the Share Entitlement in relation to which a Shareholder has not elected for the Capital Alternative in respect of any of its Share Entitlement.

4. SPARK Share Option Scheme

Participants in the SPARK Share Option Scheme are not, by virtue of the options they hold, entitled to participate in the Return of Cash. However, the scheme contains provision for adjusting the terms of options where there is a variation of capital. The Return of Cash constitutes such a variation of capital.

Under the 2005 Plan, 8,090,909 share options are in issue over ordinary shares, all with an exercise price of 2.5 pence per share (originally 11 pence but reduced following the repayment to shareholders of 2 pence per share in August 2009, 1 penny per share in September/October 2010, 1 penny per share in October 2011, 2.5 pence per share in January 2013, and 2 pence per share in September 2013) and all of which are vested. In 2009, it was agreed between the remuneration committee of the Board and the holders of share options, that the rules of the 2005 Plan relating to variations of capital be amended to allow the vested options to be adjusted by a reduction in the exercise price with no adjustment to the number of shares under option. Furthermore, it was agreed that the adjustment to options made in respect of any subsequent returns of cash would be on the same basis (subject to the overriding requirement that the exercise price per share may not be reduced below the nominal value of such share). Consequently, in accordance with the current rules, the exercise price of the share options under the 2005 Plan will be further reduced to 0.25 pence per ordinary share after the General Meeting if approval to implement the Return of Cash is given. This equates to the nominal value of each Existing Ordinary share, as the exercise price is not permitted to reduce to less than this level. Consequently, it is expected that all the holders of share options would exercise their options prior to the Return of Cash becoming effective.

5. Proposed amendments to the Articles of Association

A number of amendments to the Articles of Association are required to implement the Proposals and these amendments require approval at the General Meeting by the passing of a special resolution. The proposed amendments relate to the rights and restrictions attaching to the B Shares, C Shares and 2014 Deferred Shares and certain consequential amendments to the Articles of Association. The changes are summarised in Part 4 of this document.

6. Management Agreement

In July 2009 the Company entered into a management agreement with Spark Venture Management Holdings Limited ("**the Original Management Agreement**"). Further details relating to that agreement were set out in Part 2 of the circular dated 21 July 2009. The Company's existing management arrangements under the Original Management Agreement expired on 31 March 2014. Accordingly, the Company has sought and agreed terms to renew such agreement on similar terms as the Original Management Agreement except in regards to the fees payable to the Manager and the term which will be one year. The Manager and the

Company have agreed terms to enter into a new Management Agreement pursuant to which the Manager will continue to be responsible, subject to the overall supervision of the Company, for managing the investments, as shown in the Company's half year report 2013, that remain ("Existing Investments"). In consideration for its services under the Management Agreement, the Company shall pay:

- a Management Fee of £400,000 being a fixed fee for Administration Services and Investment Management Services (as defined in the Management Agreement) for the period ending 31 March 2015; and
- incentive payments, as further detailed below, in the event of the successful disposal of the Existing Investments.

Incentive Payments

In addition to the Management Fee the Company shall also pay to the Manager the following, in respect of the sale of the Company's shareholding in:

- IMImobile Private Limited ("IMI"), the Manager will receive, subject to certain deductions, a sum equal to a maximum of 20 per cent. of the cash profit realised for such shareholding; and
- the remaining Existing Investments (excluding IMI) a sum equal to 12.5 per cent. of the increase in the realised investment value of the Company's Existing Investments, such increase being based on the difference in value as at 31 March 2014 and 31 March 2015, with a substantial penalty for any assets not sold by 31 March 2015.

In total, the potential payable to the Manager is less than could have been payable under the D share scheme were such D share scheme to simply be extended.

The Board believes that the new arrangements with the Manager are fair and reasonable and in the best interests of Shareholders because since the change of strategy implemented in August 2009, the Manager has delivered cash proceeds from investment sales of £50 million compared with book values from these same investments at the start of that period of £14 million. Those investments that have not been sold are on aggregate at a similar value to the September 2009 value. Therefore it is clear that the Board and Shareholders have benefitted from the expertise of the existing Manager and we believe that if the realisation period is extended by an additional year, the outcome to Shareholders will be further enhanced. Additionally Shareholders should be aware that if the realisation date was not extended, the Board and Manager would be forced to sell assets quickly, which would be expected to result in cash proceeds being received that are considerably less than available from continuing to seek orderly sales processes. The most significant investment that remains is IMI Mobile, which represents approximately 75 per cent. of the remaining portfolio. The Manager continues to explore all possible exits for this investment ranging from an Initial Public Offering to a trade sale to a sale of SPARK's stake.

The entry into the Management Agreement will constitute a related party transaction for the purpose of the AIM Rules for Companies. The independent Directors of the Company not associated with the Manager, being David Potter, Charles Berry and Helen Sinclair, having consulted with the Company's nominated adviser, finnCap, consider the terms of the Management Agreement to be fair and reasonable insofar as the Shareholders are concerned.

D Share distributions

The holders of the D shares in the Company, all of whom are directors of the Manager have agreed to waive any further entitlements that could have arisen after 31 March 2014. It is the Board's best estimate at the time of writing that the aggregate amount due to the holders of D Shares is approximately £2.2 million. Such payment is expected to be made after conclusion of the 2014 audit.

Dispute with a former director

Shareholders will recall that on 12 December 2013, Michael Whitaker left the Board of SPARK. This was due to Mr Whitaker claiming entitlement in respect of a carried interest scheme from 2003. Mr Whitaker

asserts that this scheme was not cancelled as part of the Management Buy Out in October 2009, despite what was written in the Circular to Shareholders, and that he is entitled to the entire bonus pot from this scheme. The Board denies that Mr Whitaker has the entitlement he alleges and has been strongly refuting his claim. As High Court Claims have been filed the matter is now sub judice and we will advise Shareholders when there are further developments.

7. Further information

Shareholders' attention is drawn to the further information set out in Parts 2 to 5 of this document.

Shareholders should read and rely on the whole of this document and not just the summarised information set out in this letter.

8. General Meeting

The General Meeting has been convened at the offices of Bracher Rawlins LLP, 2nd Floor, 77 Kingsway, London WC2B 6SR at 10.00 a.m. on 25 April 2014. In order to consider and vote on each of the Resolutions that are put to the meeting Shareholders will find enclosed a Form of Proxy (combined with the Election Form for Shareholders not holding through CREST) for use in respect of the General Meeting. Shareholders who wish to vote using the Form of Proxy should complete and return it in accordance with the instructions in paragraph 8 below whether or not they complete the Election Form.

Resolution 1 will be proposed as an ordinary resolution and will be passed if at least 50 per cent. of the votes cast (whether in person or by proxy) are in favour. Resolutions 2 and 3 (inclusive) will be proposed as special resolutions and will be passed if at least 75 per cent. of the votes cast (whether in person or by proxy) are in favour.

Resolution 1 – Change of Investing Policy

In accordance with Rule 8 of the AIM Rules, the Company is required to seek the consent of Shareholders at the General Meeting to its proposed revised investing policy. The Company proposes to revise the existing investment policy, such that the deadline by which all remaining investments made by the Company will be sold and the proceeds of such sale returned to the shareholders be extended from 31 March 2014 to 31 March 2015.

Resolution 2 – Return of Cash

Resolution 2 seeks approval for the Proposals and sets out the formal mechanics for its implementation.

Paragraph (a) provides for the sub-division and re-designation of the Existing Ordinary Shares in issue at the Record Time into New Ordinary Shares together with either one C Share or (at the election of the Shareholders of such Existing Ordinary Shares) one B Share. The rights and restrictions attached to the B Shares and the C Shares are summarised in Part 4 of this document.

Paragraph (b) provides for the payment of the Special Dividend on the C Shares, subject to the Company having sufficient distributable profits.

Paragraph (c) provides for the Company to enter into a contract to purchase the B Shares from finnCap at a fixed price of 4.5 pence per B Share.

Paragraph (d) provides for the Company to enter into a contract to purchase the 2014 Deferred Shares for an aggregate consideration of one penny.

Paragraph (e) provides for the adoption of new articles of association which set out the rights and restrictions attached to the B Shares, C Shares and 2014 Deferred Shares and paragraph (f) provides that the rights of the New Ordinary Shares shall be the same in all respects as the Existing Ordinary Shares with the exception of the difference in nominal value and subject to the rights of the B Shares, C Shares, D Shares and the 2014 Deferred Shares.

Resolution 2 is conditional on Admission becoming effective by 8.00 a.m. on the Admission Date (or such later time and/or date as the Directors may in their absolute discretion determine).

Resolution 3 – Authority to purchase own shares

Resolution 3 gives the Company authority to make market purchases of up to 61,613,217 Ordinary Shares, representing 15 per cent. of the Company's issued ordinary share capital (excluding treasury shares) as at 3 April 2014 (the latest practicable date before publication of this document). The Resolution sets minimum and maximum prices. This authority will expire at the conclusion of the next AGM in 2014.

Resolution 3 is conditional on Resolution 2 being passed and becoming effective, and is in substitution for all existing authorities, including the authority granted at the 2013 Annual General Meeting, and gives the Company authority to make market purchases of up to 61,613,217 New Ordinary Shares, representing 15 per cent. of the Company's issued ordinary share capital (excluding treasury shares) following the implementation of the Proposals. The Resolution sets minimum and maximum prices. This authority will expire at the conclusion of the next AGM in 2014.

The Directors have no present intention of exercising the authority in Resolution 3 to purchase the Company's ordinary shares but will keep the matter under review, taking into account the financial resources of the Company, the Company's share price and future funding opportunities. The relevant authority will be exercised only if the Directors believe that to do so would be in the interests of Shareholders generally. Any purchases of ordinary shares would be by means of market purchases through the London Stock Exchange.

Listed companies purchasing their own shares are allowed to hold them in treasury as an alternative to cancelling them. No dividends are paid on shares whilst held in treasury and no voting rights attach to treasury shares.

If Resolution 3 is passed at the General Meeting, it is the Company's current intention to cancel all of the shares it may purchase pursuant to the authority granted to it. However, in order to respond properly to the Company's capital requirements and prevailing market conditions, the Directors will need to reassess at the time of any and each actual purchase whether to hold the shares in treasury or cancel them, provided it is permitted to do so. The Company may hold a maximum of up to 10 per cent. of its issued share capital in treasury in accordance with guidelines issued by the ABI.

9. Action to be taken

A Form of Proxy (combined with an Election Form for Shareholders not holding through CREST) for use in connection with the General Meeting is enclosed. Whether or not Shareholders intend to be present at the General Meeting, they are requested to complete and sign the accompanying Form of Proxy (whether or not they complete the Election Form) and return it, in accordance with the instructions printed on it, by post or (during normal business hours only) by hand to Capita Asset Services, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU to arrive as soon as possible and, in any event, by no later than 10.00 a.m. on Wednesday 23 April 2014. Shareholders who hold their Existing Ordinary Shares in CREST may appoint a proxy by completing and transmitting a CREST Proxy Instruction to Capita Asset Services so that it is received by no later than 10.00 a.m. on Wednesday 23 April 2014. The return of a completed Form of Proxy or the transmission of an electronic proxy or CREST Proxy Instruction will not prevent a Shareholder from attending the General Meeting and voting in person (in substitution for their proxy vote) should they wish to do so and are so entitled.

An Election Form for use by Shareholders (with the exception of Shareholders who hold their Existing Ordinary Shares in CREST) in connection with the Capital Alternative is enclosed with this document (and combined with the Form of Proxy). To be valid, Election Forms must be validly completed and returned so as to be received by Capita Asset Services by no later than 1.00 p.m. on Thursday 24 April 2014. If Shareholders do not use the envelope provided, the Election Form should be sent by post or delivered by hand (during normal business hours only) to Capita Asset Services, Corporate Actions, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU and postage will (where applicable) be payable. Full details on how to complete and return the Election Form are set out in Part 3 of this document.

Shareholders who hold their Existing Ordinary Shares in CREST will not be sent Election Forms and may only elect for the Capital Alternative through CREST. Please see paragraph 2 of Part 3 of this document for further information.

10. Recommendation

The Board considers the Resolutions are likely to promote the success of the Company and are in the best interests of the Company and its Shareholders as a whole. The Directors unanimously recommend that Shareholders vote in favour of the Resolutions which are proposed at the General Meeting.

The Directors intend to vote in favour of all of the Resolutions which are proposed at the General Meeting in respect of their own beneficial holdings, amounting in aggregate to 8,007,939 Existing Ordinary Shares (representing approximately 2.0 per cent. of the current total voting rights of SPARK) at the date of this document.

Yours faithfully,

David Potter
Chairman

PART 2

DETAILS OF THE RETURN OF CASH

1. Return of Cash

The proposed Return of Cash consists of the Share Split (see paragraph 2 below) and the Alternatives (see paragraph 3 below).

The Return of Cash is conditional on:

- the passing of Resolution 1 and 2 at the General Meeting;
- the Repurchase Agreement becoming unconditional and not being terminated prior to Admission; and
- Admission.

If these conditions are not satisfied by 8.00 a.m. on Monday 28 April 2014 or such later time and/or date as the Directors may determine (but being not later than Monday 5 May 2014), no New Ordinary Shares will be created, no B Shares or C Shares will be issued and the Return of Cash will not take effect.

2. Share Split

Subject to the approval of Shareholders at the General Meeting and Admission, each Existing Ordinary Share in issue at the Record Time will be sub-divided into one New Ordinary Share together with either one C Share or (at the election of the Shareholders of such Existing Ordinary Shares) one B Share.

The exact number of B Shares and C Shares to be issued will depend on the elections made (or deemed to be made) by each Shareholder between the Alternatives, but the number of B Shares and C Shares together will be the same number as the Existing Ordinary Shares held by the relevant Shareholder at the Record Time. As at 3 April 2014 (the latest practicable date prior to the publication of this document) there were 450,000,000 Existing Ordinary Shares in issue, of which 39,245,220 are held in treasury.

The rights and restrictions to be attached to the B Shares and the C Shares are more fully set out in Part 4 of this document. No application has been, or will be, made for the B Shares or the C Shares to be listed or admitted to trading on AIM or any other investment exchange or trading platform.

New Ordinary Shares will be traded on AIM in the same way as the Existing Ordinary Shares and will be equivalent in all other respects to the Existing Ordinary Shares, with the exception of the difference in nominal value and subject to the rights of the B Shares, C Shares, existing D Shares and the 2014 Deferred Shares (as applicable).

Application will be made for the New Ordinary Shares to be admitted to trading on AIM, with dealings expected to commence subject to approval of the Resolutions at 8.00 a.m. on Monday 28 April 2014. The Company will apply for the New Ordinary Shares to be admitted to CREST with effect from Admission so that general market transactions in the New Ordinary Shares may be settled within the CREST system.

Share certificates will not be issued nor will CREST accounts be credited in respect of New Ordinary Shares arising as a result of the Share Split. Existing share certificates will remain valid with new certificates only being issued as a result of subsequent changes in the register. Shareholders who hold their Existing Ordinary shares in CREST will hold their New Ordinary Shares under the existing ISIN.

3. The Alternatives

All United Kingdom Shareholders may choose between the Alternatives (the Dividend Alternative and the Capital Alternative) or a combination of the Alternatives in respect of their Share Entitlement. Details of how to make an election are set out in Part 3 of this document and on the Election Form (combined with the Form of Proxy) enclosed with this document (for Shareholders holding their Existing Ordinary Shares in certificated form only). Shareholders who hold their Existing Ordinary Shares in CREST will not be sent

Election Forms. Such Shareholders may only elect in respect of the Alternatives through CREST and should refer to paragraph 2 of Part 3 of this document for further information.

Shareholders who do not make a valid election and Non-United Kingdom Shareholders will be deemed to have elected for the Dividend Alternative in respect of ALL of their Share Entitlement.

The general guidance on the UK tax treatment included below is only a summary, is based on current UK law and practice as at the date of this document and applies only to Shareholders who are resident and, if they are individuals, ordinarily resident in the UK for tax purposes and who hold their Existing Ordinary Shares beneficially as investments and not on trading account. UK tax resident Shareholders should read Part 5 of this document before electing for any of the Alternatives as the two Alternatives will have different UK tax consequences. **Shareholders who are in any doubt as to their tax position, or are subject to tax in a jurisdiction other than the United Kingdom, should consult an appropriate professional adviser without delay.**

Alternative 1 – Capital Alternative

Shareholders (other than Non-United Kingdom Shareholders who are deemed to have elected for the Dividend Alternative) who elect for the Capital Alternative in respect of some or all of their Share Entitlement will receive one B Share (in addition to one New Ordinary Share) for each Existing Ordinary Share they hold at the Record Time in respect of which a valid election is received.

Shareholders who elect for the Capital Alternative will have all their B Shares purchased pursuant to the Tender Offer by finnCap as principal for 4.5 pence for each such B Share. The terms and conditions of the Tender Offer are set out in paragraph 5 of this Part 2. The Company will fund the buyback of B shares from finnCap pursuant to the Repurchase Agreement using its existing distributable profits.

Shareholders entitled to receive the payment pursuant to the Capital Alternative will be sent cheques or, if Shareholders hold their Existing Ordinary Shares in CREST, are expected to have their CREST accounts credited, by 5 May 2014.

The proceeds received under the Capital Alternative should generally be taxed as capital for UK tax purposes. UK tax resident Shareholders should read Part 5 of this document for further information.

To elect for the Capital Alternative in respect of some or all of their Share Entitlement, Shareholders should follow the instructions in Part 3 of this document or, if they hold their Existing Ordinary Shares in CREST, Shareholders should refer to paragraph 2 of Part 3 of this document for further information.

The B Shares will not be listed or admitted to trading on AIM or any other investment exchange or trading platform and cannot be held in CREST. No share certificates will be issued in respect of the B Shares issued pursuant to the Capital Alternative.

The rights and restrictions to be attached to the B Shares are more fully set out in Part 4 of this document. The attention of Non-United Kingdom Shareholders is drawn to paragraph 4 of this Part 2.

Alternative 2 – Dividend Alternative

Shareholders who elect, or are deemed to have elected, for the Dividend Alternative in respect of their Share Entitlement will receive one C Share (in addition to one New Ordinary Share) for each Existing Ordinary Share they hold at the Record Time in respect of which such an election is made or deemed to be made. A Special Dividend of 4.5 pence will be payable on each such C Share. It is expected that Shareholders entitled to receive the Special Dividend will be sent cheques or, if Shareholders hold their Existing Ordinary Shares in CREST, have their CREST accounts credited with the consideration, by 5 May 2014.

Non-United Kingdom Shareholders will be deemed to have elected for the Dividend Alternative in respect of all of their Existing Ordinary Shares.

The amounts received under the Dividend Alternative should generally be taxed as income for UK tax purposes. UK tax resident Shareholders should read Part 5 of this document for further information.

Shareholders who wish to elect for the Dividend Alternative in respect of ALL of their Share Entitlement need take no further action and need not return their Election Form nor send a TTE Instruction. To elect for the Dividend Alternative in respect of only some of their Share Entitlement, Shareholders should follow the instructions in Part 3 of this document or, if they hold their Existing Ordinary Shares in CREST, Shareholders should refer to paragraph 2 of Part 3 of this document for further information.

Following payment of the Special Dividend, all C Shares will automatically be converted into 2014 Deferred Shares, with the Shareholders receiving one 2014 Deferred Share for each such C Share. The 2014 Deferred Shares will not be listed, will carry extremely limited rights as more fully described in Part 4 of this document and will have negligible value.

The Company will have the right to repurchase all 2014 Deferred Shares then in issue at any time for an aggregate consideration of one penny. If the Company repurchases the 2014 Deferred Shares, this will be treated as a disposal of the 2014 Deferred Shares by Shareholders. In view of the negligible amount of this consideration, Shareholders' entitlements to it will not be paid.

The C Shares will not be listed or admitted to trading on AIM or any other investment exchange or trading platform and cannot be held in CREST. No share certificates will be issued in respect of the C Shares.

The rights and restrictions to be attached to the C Shares are more fully set out in Part 4 of this document. The attention of Non-United Kingdom Shareholders is drawn to paragraph 4 of this Part 2.

4. Non-United Kingdom Shareholders

Non-United Kingdom Shareholders will be deemed to have elected for the Dividend Alternative and therefore need not return their Election Form (combined with the form of Proxy) or send a TTE Instruction. (For the avoidance of doubt any Non-United Kingdom Shareholders who wish to vote using the Form of Proxy should still complete (if they so wish) and return it in accordance with the instructions set out in Part 1 paragraph 8). Any Election Form or TTE Instruction from a Non-United Kingdom Shareholder purporting to elect for the Capital Alternative will be void and of no effect.

Non-United Kingdom Shareholders should consult their professional advisers to ascertain whether the Return of Cash (including, as may be relevant in each case, the creation, holding or conversion (into 2014 Deferred Shares) of the B Shares and/or the C Shares) will be subject to any restrictions or require compliance with any formalities imposed by the laws or regulations of, or anybody or authority located in, the jurisdiction in which they are resident or to which they are subject. In particular, it is the responsibility of any Non-United Kingdom Shareholder to satisfy himself as to full observance of the laws of each relevant jurisdiction in connection with the Return of Cash, including the obtaining of any government, exchange control or other consents which may be required, or the compliance with other necessary formalities needing to be observed and the payment of any issue, transfer or other taxes or duties in such jurisdiction.

The distribution of this document in certain jurisdictions may be restricted by law. Persons into whose possession this document comes should inform themselves about and observe any such restrictions. Neither this document nor any other document issued or to be issued by or on behalf of the Company in connection with the Return of Cash constitutes an invitation, offer or other action on the part of the Company in any jurisdiction in which such invitation, offer or other action is unlawful.

Each Shareholder by whom, or on whose behalf, an Election Form (and combined with the Form of Proxy) is executed or a TTE Instruction is given, irrevocably represents, warrants, undertakes and agrees to and with the Company that such Shareholder has observed the laws of all relevant territories, obtained any requisite governmental or other consents, complied with all requisite formalities and paid any issue, transfer or other taxes due in connection with any election for either or both of the Alternatives in any territory and such Shareholder has not taken or omitted to take any action which may result in the Company or any other persons acting in breach of the legal or regulatory requirements of any territory in connection with the Return of Cash or such Shareholder's election for either or both of the Alternatives. The Company, finnCap and any person acting on their behalf shall be entitled to be fully indemnified and held harmless by such Shareholder for any such issue, transfer or other taxes as such person may be required to pay.

The above provisions of this paragraph relating to Non-United Kingdom Shareholders may be waived, varied or modified as regards specific Shareholders or on a general basis by the Directors in their absolute discretion. Subject to this, the provisions of paragraph 4 above supersede any terms of the Tender Offer inconsistent herewith.

5. Terms and conditions of the Tender Offer

The Tender Offer is being made by finnCap acting as principal. A maximum of 410,754,780 B Shares may be purchased under the Tender Offer, for a maximum aggregate cash consideration of £18,483,965.10. finnCap and the Company have entered into the Repurchase Agreement pursuant to which the Company has granted a put option to finnCap to purchase from finnCap the B Shares purchased by finnCap pursuant to the Tender Offer for 4.5 pence per B Share.

finnCap hereby offers to purchase B Shares from B Shareholders on and subject to the following terms and conditions:

1. The Tender Offer is conditional upon the following:
 - (i) the passing of Resolution 2 at the General Meeting;
 - (ii) the Repurchase Agreement becoming unconditional and not being terminated prior to Admission; and
 - (iii) Admission.
2. If these conditions are not satisfied, the Tender Offer will be void.
3. The consideration payable under the Tender Offer is 4.5 pence per B Share being validly tendered (in accordance with an election Form or TTE Instruction as the case may be) in cash.
4. The Tender Offer is only available to B Shareholders having elected for the Capital Alternative in respect of the number of B Shares registered in their respective names on the Admission Date.
5. The Tender Offer will close at 1.00 p.m. on Thursday 24 April 2014. An Election Form or TTE Instruction (as the case may be) must be received by 1.00 p.m. on Thursday 24 April 2014 and no Election Form received after that time will be accepted.
6. Only all of a holding of B Shares may be tendered. B Shares successfully tendered will be sold to finnCap fully paid and free from all liens, charges, equitable interests and encumbrances and with all rights attaching to the same. Successfully tendered B Shares will be purchased from finnCap by the Company pursuant to the Repurchase Agreement and will be cancelled and will not rank for any future dividends.
7. Each Shareholder by whom, or on whose behalf, an Election Form is executed or a TTE Instruction is given, irrevocably represents, warrants, undertakes and agrees to and with the Company and finnCap, so as to bind such holder and their personal or legal representatives, heirs, successors and assignors, that the execution of the Election Form or the completion of the TTE Instruction will, effective upon Resolution 2 being passed and becoming effective, constitute the irrevocable appointment of any Director, or other person nominated by the Company, as such holder's attorney and agent ("**attorney**"), and an irrevocable instruction to the attorney to complete and execute all or any contracts and/or other documents at the attorney's discretion in relation to purchase of the B Shares by finnCap and to do all such other acts and things as may in the opinion of such attorney be necessary or expedient for the purpose of, or in connection with, the Tender Offer and Capital Alternative.
8. Each B Shareholder shall not take any action which would prevent the Company or Capita Asset Services from cancelling the B Shares to which the Tender Offer relates.
9. Each B Shareholder must have been registered at the Admission Date as the holder of the B Shares tendered.

10. The Company reserves the right to require that finnCap does not proceed with the Tender Offer if it concludes, at any time prior to Admission, that its implementation is no longer in the best interests of the Company.

6. Proposed amendments to the Articles of Association

A number of amendments to the Articles of Association are required to implement the Proposals and these amendments require approval at the General Meeting by the passing of a special resolution. The proposed amendments relate to the rights and restrictions attaching to the B Shares, C Shares and 2014 Deferred Shares and certain consequential amendments to the Articles of Association. The new provisions are summarised in Part 4 of this document.

7. Dealings and despatch of documents

The Return of Cash will be made by reference to holdings of Existing Ordinary Shares on the Company's register of members at the Record Time.

Dealings and settlement within the CREST system of the Existing Ordinary Shares will continue until 5.00 p.m. on Friday 25 April 2014 when, in the case of Existing Ordinary Shares held in certificated form, the register of members will be closed for transfers and no further transfers of Existing Ordinary Shares will be possible. The registration of uncertificated holdings in respect of the Existing Ordinary Shares will be 'disabled' in CREST at such time.

The Company will apply for the New Ordinary Shares to be admitted to CREST with effect from the Admission Date. Accordingly, settlement of transactions in the New Ordinary Shares may take place within the CREST system in respect of general market transactions. The New Ordinary Shares, the B Shares and the C Shares are not renounceable and will be in registered form.

Shareholders who hold their Existing Ordinary Shares in CREST will hold their New Ordinary Shares under the existing ISIN. Existing Ordinary Share certificate(s) will remain valid after the Share Split.

No share certificates will be issued by the Company in respect of B Shares, C Shares or 2014 Deferred Shares. Shareholders holding New Ordinary Shares through the CREST system will not receive any share certificates.

Shareholders entitled to receive the Special Dividend are expected to be sent cheques or, if Shareholders hold their Existing Ordinary Shares in CREST, have their CREST accounts credited, by 5 May 2014.

Shareholders entitled to receive the Capital Repayment pursuant to the Capital Alternative are expected to be sent cheques or, if Shareholders hold their Existing Ordinary Shares in CREST, have their CREST accounts credited with the consideration, by 5 May 2014.

All cheques will be sent by post, at the risk of the Shareholder entitled to them, to the registered address of the relevant Shareholders (or, in the case of joint Shareholders, to the address of that joint Shareholder whose name stands first in the register in respect of such joint shareholding).

Subject to any instructions to the contrary, share registration and dividend payment mandates in respect of holdings of Existing Ordinary Shares will continue to apply in respect of New Ordinary Shares.

8. Share capital

The issued fully paid share capital of the Company as at the date of this document is as follows:

	<i>Issued</i>	
	<i>Number</i>	<i>£</i>
Existing Ordinary Shares	450,000,000	1,350,000
D Shares	2,000,000	10,000

The number of issued Existing Ordinary Shares includes 39,245,220 Existing Ordinary Shares held in treasury.

Following completion of the Share Split, 410,754,780 New Ordinary Shares of the Company will be in issue and admitted to trading on AIM and 39,245,220 New Ordinary Shares of the Company will be held in treasury.

Each recipient of C Shares will hold one 2014 Deferred Share for every C Share received once the Special Dividend has been paid, which will be repurchased and subsequently cancelled on or before 30 June 2014. No Special Dividend will be paid on the C Shares issued in respect of Existing Ordinary Shares held by the Company in treasury.

Each B Share bought back from finnCap by the Company pursuant to the Repurchase Agreement will be cancelled.

PART 3

MAKING YOUR ELECTION

1. Completing your Election Form

To make an election for the Capital Alternative, Shareholders who hold their Existing Ordinary Shares in certificated form must complete and return the Election Form (which is combined with a Form of Proxy) enclosed with this document. Shareholders who hold their Existing Ordinary Shares in CREST will not be sent Election Forms and instead should refer to paragraph 2 of this Part 3 for further information.

Shareholders wishing to receive the Special Dividend in respect of ALL of their Share Entitlement need NOT complete or return the Election Form or make an election through CREST. (For the avoidance of doubt any Shareholders who wish to vote using the Form of Proxy should still complete (if they so wish) and return it in accordance with the instructions set out in Part 1 paragraph 8). **C Shares will be issued and the Special Dividend paid automatically in respect of ALL of the Share Entitlement in relation to which a Shareholder has not elected for either of the Alternatives.**

The following instructions describe what Shareholders should do when completing an Election Form. Any decisions reached by Shareholders as between the Alternatives should be based on the information contained in this document.

References to Boxes refer to the boxes indicated on the Election Form.

Name(s) of Shareholder(s)

The Election Form shows the name of the Shareholder, or names of joint Shareholders, of Existing Ordinary Shares for which an election can be made. When the Election Form is completed, the Shareholder, or all joint Shareholders, must sign the Election Form (in Box 2, as applicable) and the signatures of Shareholders who are individuals signing in Box 2A need to be witnessed (the witness must be over 18 years of age and cannot be the Shareholder or one of the joint Shareholders, although one person could separately witness the signature of all joint Shareholders). If the Election Form is executed under a power of attorney, such power of attorney should be lodged with the Election Form.

Number of Existing Ordinary Shares held

Box A shows the number of Existing Ordinary Shares in the name(s) of Shareholder(s) at 6.00 p.m. on 3 April 2014 and is for information purposes only. If Shareholders do not purchase, sell or transfer any Existing Ordinary Shares registered in their name(s) between that date and the Record Time, then this number will remain the number of Existing Ordinary Shares upon which your Share Entitlement will be based. If Shareholders do, prior to the Record Time, purchase, sell or transfer any Existing Ordinary Shares registered in their name(s), they should take care to ensure that their election is in respect of their Share Entitlement that corresponds to the number of Existing Ordinary Shares that will be registered in their name(s) at the Record Time.

How Shareholders may elect for one Alternative in respect of all of their Share Entitlement

- To elect for the **Capital Alternative** in respect of all of their Share Entitlement, Shareholders should mark an "X" in Box 1.
- To elect for the **Dividend Alternative** in respect of all of their Share Entitlement, Shareholders should take no further action. Shareholders who do not complete or return the Election Form will automatically receive only C Shares in respect of all of their Share Entitlement on which the Special Dividend will be paid.

How Shareholders may split their Share Entitlement between both Alternatives

To split their Share Entitlement between both Alternatives, a Shareholder should enter, in numbers, the number of Existing Ordinary Shares they wish to elect for the Capital Alternative in Box 1. The balance of their Share Entitlement will automatically receive the Dividend Alternative.

The default position where a Shareholder makes an election which in total exceeds their holding of Existing Ordinary Shares at the Record Time

If Shareholders enter a number in Box 1 of the Election Form, which in total exceeds their holding of Existing Ordinary Shares at the Record Time, their election for the Capital Alternative will only apply to the number of shares held in their name at the Record Time.

The default position where a Shareholder makes an election which in total is less than their holding of Existing Ordinary Shares at the Record Time

If Shareholders enter a number in Box 1 of the Election Form, which in total is less than their holding of Existing Ordinary Shares at the Record Time, they will be deemed to have elected for the Dividend Alternative in respect of the balance of their holding.

Subsequent dematerialisation of Existing Ordinary Shares

If the Existing Ordinary Shares to which any election made on the enclosed Election Form relates are currently held in certificated form and are subsequently dematerialised into uncertificated form before the Election Deadline, any election made by the submission of an Election Form will become invalid. Shareholders who subsequently hold their Existing Ordinary Shares in uncertificated form in CREST will need to give a valid TTE Instruction in place of the submitted Election Form by the Election Deadline.

General

The Company shall determine all questions as to the form and validity (including time and place of receipt) of any Election Form, in its absolute discretion, which determination shall be final and binding. The Company also reserves the absolute right to waive any defect or irregularity in relation to, or in relation to the receipt of, any Election Form completed by or on behalf of any Shareholder, and such determination will be binding on such Shareholder. The Company shall not be liable to Shareholders for any loss arising from the determination of questions as to the form and validity (including time and place of receipt) of any Election Form and the Company shall not be under any duty to give notification of any defect or irregularity in any Election Form or incur any liability for failure to give any such notice.

After the end of the Election Period, any election made is irrevocable. If the Election Period is extended, withdrawal rights will also be extended (withdrawal rights are described more fully in paragraph 4 of this Part 3). No authority conferred by or agreed to by the signing of an Election Form will be affected by, and all such authorities will survive, the death or incapacity of the Shareholder executing such form or giving such instruction. All obligations of such Shareholder will be binding upon the heirs, personal representatives, successors and assigns of such Shareholder.

Final instructions on completing an Election Form

Shareholders returning an Election Form must sign in Box 2A or Box 2B.

All Shareholders named on an Election Form must sign the Election Form. Once completed, signed and witnessed, this Election Form should be returned in the prepaid envelope provided. No stamps will be needed if posted in the United Kingdom. To be valid, Election Forms must be returned so as to be received by Capita Asset Services by the Election Deadline (1.00 p.m. on Thursday 24 April 2014). If Shareholders do not use the envelope provided, the Election Form should be sent by post or delivered by hand (during normal business hours) to Capita Asset Services, Corporate Actions, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU and postage will (where applicable) be payable.

Shareholders who do not validly complete and return their Election Form or, in the case of Shareholders who hold their Existing Ordinary Shares in CREST, do not send a valid TTE Instruction, will be deemed to have elected for the Dividend Alternative in respect of all of their Share Entitlement.

2. Electing through CREST

If Shareholders hold their Existing Ordinary Shares in CREST they will not be sent an Election Form with this document. Such Shareholders should take (or procure to be taken) the action set out below to transfer

(by means of a TTE Instruction) the number of Existing Ordinary Shares held at the Record Time in respect of which they are making an election to an escrow balance, specifying Capita Asset Services in its capacity as a CREST receiving agent (under its participant ID referred to below) as the escrow agent, as soon as possible and in any event so that the transfer to escrow settles not later than the Election Deadline. If Shareholders purchase, sell or transfer any Existing Ordinary Shares registered in their name(s) before the Record Time, they should take care to ensure that their election is in respect of the number of Existing Ordinary Shares that will be registered in their name(s) at the Record Time.

If Shareholders are CREST personal members, they should refer to their CREST sponsor before taking any action. CREST sponsors will be able to confirm details of Shareholders' participant ID and the member account ID under which their Existing Ordinary Shares are held. In addition, only CREST sponsors will be able to give the TTE Instruction to Euroclear by which Shareholders are making their election.

How to elect for the Capital Alternative

Shareholders who hold their Existing Ordinary Shares in CREST and who wish to elect for the Capital Alternative in respect of some or all of their Share Entitlement should give (or, if they are a CREST personal member, procure that their CREST sponsor gives) a TTE Instruction with the information listed below.

To make an election for the Capital Alternative, Shareholders should give (or, if they are a CREST personal member, procure that their CREST sponsor gives) a TTE Instruction, which must be properly authenticated in accordance with Euroclear's specifications and must contain, in addition to the other information that is required for settlement in CREST, the following details:

- the ISIN number for the Existing Ordinary Shares. This is **GB0008550286**;
- the number of Existing Ordinary Shares to be transferred to the escrow account;
- the participant ID;
- the member account ID;
- the participant ID of Capita Asset Services, which is **RA10**;
- the member account ID of Capita Asset Services, which for these purposes is **28247SPA**;
- the corporate action number of the Return of Cash. This is allocated by Euroclear and can be found by viewing the relevant corporate action details in CREST;
- the intended settlement date for the transfer to escrow, which should be as soon as possible and in any event not later than the Election Deadline;
- the standard delivery instruction priority of 80; and
- the name and contact number inserted in the shared note field.

The default position where a Shareholder makes an election which in total is less than their holding of Existing Ordinary Shares at the Record Time

If Shareholders send a TTE Instruction which details a number of Existing Ordinary Shares to be transferred to the escrow account which in total is less than their holding of Existing Ordinary Shares at the Record Time, they will be deemed to have elected for the Dividend Alternative in respect of the balance of their holding.

General

The Company shall determine all questions as to the form and validity (including time and place of receipt) of any TTE Instruction, in its absolute discretion, which determination shall be final and binding. The Company also reserves the absolute right to waive any defect or irregularity in relation to, or in relation to the receipt of, any TTE Instruction completed by or on behalf of any Shareholder, and such determination will be binding on such Shareholder. The Company shall not be liable to Shareholders for any loss arising

from the determination of questions as to the form and validity (including time and place of receipt) of any Election Form or TTE Instruction and the Company shall not be under any duty to give notification of any defect or irregularity in any TTE Instruction or incur any liability for failure to give any such notice.

After the end of the Election Period, any election made is irrevocable. If the Election Period is extended, withdrawal rights will also be extended (withdrawal rights are described more fully in paragraph 4 of this Part 3). No authority conferred by or agreed to by the giving of a TTE Instruction will be affected by, and all such authorities will survive, the death or incapacity of the Shareholder giving such instruction. All obligations of such Shareholder will be binding upon the heirs, personal representatives, successors and assigns of such Shareholder.

Final instructions on sending a TTE Instruction

In order for an election through CREST to be valid, the TTE Instruction must comply with the requirements as to authentication and contents set out above and must settle by the Election Deadline (1.00 p.m. on Thursday 24 April 2014).

CREST members and (where applicable) their CREST sponsors should note that the last time at which a TTE Instruction may settle is the Election Deadline.

After settlement of the TTE Instruction, Shareholders will not be able to access the Existing Ordinary Shares concerned in CREST for any transaction, notwithstanding that they will be held by Capita Asset Services, in its capacity as escrow agent. Capita Asset Services will release the Existing Ordinary Shares from escrow on 25 April 2014 by way of a TFE Instruction.

Shareholders who do not send a valid TTE Instruction or, in the case of Shareholders who hold their Existing Ordinary Shares in certificated form, do not validly complete and return their Election Form, will be deemed to have elected for the Dividend Alternative in respect of all of their Share Entitlement.

Shareholder helpline

Shareholders who need assistance completing the Election Form, transmittal of electronic proxies, CREST Proxy Instructions or TTE Instructions, may telephone the Shareholder helpline on by calling 0871 664 0321 from within the UK or on +44 20 8639 3399 if calling from outside the UK. Calls to the 0871 664 0321 number cost 10 pence per minute from a BT landline. Other network providers' costs may vary. Lines are open 9.00 a.m. to 5.30 p.m. (London time) Monday to Friday. Calls to the helpline from outside the UK will be charged at the applicable international rate. Different charges may apply to calls from mobile telephones and calls may be recorded and randomly monitored for security and training purposes. The helpline cannot provide advice on the merits of the Proposals nor give any financial, legal or tax advice. You are reminded that, if you are a CREST sponsored member, you should contact your CREST sponsor before taking any action.

3. Withdrawal rights

Shareholders should note that any election, whether made by the signing of an Election Form or the giving of a TTE Instruction, relating to the Alternatives may be withdrawn by Shareholders at any time prior to the end of the Election Period. If an election is validly withdrawn, the Shareholder may make a new election within the Election Period, but if a new valid election is not made by the end of the Election Period, the Shareholder will be deemed to have elected for the Dividend Alternative in respect of all of their Share Entitlement. After the end of the Election Period, any election made is irrevocable. If the Election Period is extended, withdrawal rights will also be extended.

Shareholders wishing to withdraw their election must inform the Shareholder helpline as referred to in paragraph 2 above. If such Shareholders wish to re-elect in respect of the Alternatives, they can request a replacement Election Form or receive instructions on how to re-elect through CREST from the Shareholder helpline. Shareholders will need to take into account the postal time necessary for a replacement Election Form to reach Capita Asset Services by the Election Deadline.

For a withdrawal of any election to be effective, a written notice of withdrawal signed by the person(s) who signed the relevant Election Form or the Shareholder(s) who gave the relevant TTE Instruction must:

- specify the name(s) and address(es) of the person(s) who is/are tendering the election to be withdrawn, the account number (which, for Shareholders who hold their Existing Ordinary Shares in certificated form, appears on the front page of the relevant Election Form) and the exact number of their Share Entitlement to be withdrawn; and
- in the case of an election originally made by a TTE Instruction, be accompanied by a valid ESA Message given by the person(s) who gave the relevant TTE Instruction,

and be received by Capita Asset Services not later than three hours before the Election Deadline.

Each ESA Message must, in order to be valid and settle, include the following details:

- the ISIN number for the Existing Ordinary Shares. This is **GB0008550286**;
- the number of Existing Ordinary Shares to be withdrawn;
- the participant ID of the accepting Shareholder;
- the member account ID of the accepting Shareholder;
- the participant ID of the Escrow Agent, Capita Asset Services. This is **RA10**;
- the member account ID of Capita Asset Services, which is **28247SPA**;
- the CREST transaction ID of the electronic acceptance to be withdrawn, to be inserted at the beginning of the shared note field;
- input with a standard delivery instruction priority of **80**;
- the intended settlement date for the withdrawal; and
- the corporate action number of the Return of Cash. This is allocated by Euroclear and can be found by viewing the relevant corporate action details in CREST.

Any such withdrawal will be conditional upon Capita Asset Services verifying that the withdrawal is validly made. Accordingly, Capita Asset Services will, on behalf of the Company, reject or accept the withdrawal by transmitting in CREST a receiving agent reject (AEAD) or a receiving agent accept (AEAN) message, as the case may be.

Telex, facsimile, electronic mail or other electronic means of transmission or any form of copy of written notice will not constitute a written instruction of withdrawal.

Withdrawals may not be rescinded, but re-elections may be made at any time prior to the end of the Election Period. Withdrawals and any re-elections in respect of Share Entitlements that are received by Capita Asset Services after the end of the Election Period will be deemed invalid for the purposes of the Alternatives. Any Shareholder who withdraws their election before the end of the Election Period and does not re-elect their Share Entitlement will be deemed to have elected for the Dividend Alternative in respect of all of their Share Entitlement.

The Company and finnCap shall determine all questions as to the form and validity (including time and place of receipt) of all notices of withdrawal, in their absolute discretion, which determination shall be final and binding. The Company and finnCap also reserves the absolute right to waive any defect or irregularity in relation to, or in relation to the receipt of, any withdrawal by any Shareholder, and such determination will be binding on such Shareholder. None of the Company, Capita Asset Services or any other person will be under any duty to give notification of any defect or irregularity in any notice of withdrawal or incur any liability for failure to give any such notification or for any reason with regard to withdrawal and re-election.

PART 4

RIGHTS AND RESTRICTIONS ATTACHED TO THE B SHARES, C SHARES, AND THE 2014 DEFERRED SHARES

1. Rights attaching to the B Shares

The following constitutes the proposed article to be incorporated into the Articles of Association relating to the rights and restrictions attaching to the B Shares:

“165. RIGHTS AND RESTRICTIONS ATTACHED TO THE B SHARES

165.1 Election Form

165.1.1 Together with a circular to all Shareholders dated 4 April 2014 (the “**Circular**”), Shareholders who held their Existing Ordinary Shares in certificated form were sent a form of election (“**Election Form**”) relating to the B Shares and C Shares proposed to be created by the Company, as more fully described in the Circular. Pursuant to the Election Form or, where Shareholders held their Existing Ordinary Shares in uncertificated form, by following the instructions and subject to the terms set out in the Circular, Shareholders could elect (an “**Election**”), among other things, to receive B Shares that would be purchased by an intermediary or principal pursuant to a tender offer (and subsequently bought back by the Company from such intermediary or principal and cancelled) pursuant to the Return of Cash (as defined and described in the Circular) (the “**Capital Alternative**”).

165.1.2 Shareholders who do not validly complete and return their Election Form or, in the case of Shareholders who hold their Existing Ordinary Shares in uncertificated form, do not send a valid TTE instruction by 1.00 p.m. on Thursday 24 April 2014 (or such later time and/or date as the Directors may determine in their absolute discretion (but being not later than Monday 28 April 2014)), will be deemed to have elected for the Dividend Alternative (as defined and described in the Circular) in respect of each Existing Ordinary Share held by them.

165.1.3 The Directors, in their absolute discretion, shall determine all questions as to the form and validity (including time and place of receipt) of any Election Form or TTE instruction, which determination shall be final and binding. The Directors also reserve the absolute right to waive any defect or irregularity in relation to, or in relation to the receipt of, any Election Form or TTE instruction completed by or on behalf of any Shareholder and such determination will be binding on such Shareholder.

165.2 Income

The B Shares shall confer no right to participate in the profits of the Company.

165.3 Capital

165.3.1 Except as provided in Article 165.5, on a return of capital on winding-up or otherwise (including a court-approved reduction of capital paid up on the B Shares pursuant to the 2006 Act), the holders of B Shares shall be entitled, in priority to any payment to the holders of every other class of share in the capital of the Company (except the C Shares) but *pari passu* with any payment to the holders of C Shares, to 0.05 pence for each B Share held by them.

165.3.2 On a winding-up, the holders of the B Shares shall not be entitled to any further right of participation in the profits or assets of the Company in excess of that specified in Article 165.3.1 above. In the event that there is a winding-up to which Article 165.3.1

applies and the amounts available for payment are insufficient to pay the amounts due on all the B Shares in full, the holders of the B Shares shall be entitled to their *pro-rata* proportion of the amounts to which they would otherwise be entitled.

165.3.3 The aggregate entitlement of each holder of B Shares on a winding-up in respect of all of the B Shares held by him shall be rounded up to the nearest penny.

165.3.4 The holders of the B Shares shall not be entitled to any further right of participation in the assets of the Company.

165.4 Voting and general meetings

The holders of B Shares shall not be entitled, in their capacity as holders of such shares, to receive notice of any general meeting of the Company nor to attend, speak or vote at any such general meeting.

165.5 Class rights

165.5.1 The Company may from time to time create, allot and issue further shares, whether ranking *pari passu* with or in priority or subsequent to the B Shares. The creation, allotment or issue of any such further shares (whether or not ranking in any respect in priority to the B Shares) shall be treated as being in accordance with the rights attaching to the B Shares and shall not involve a variation of such rights for any purpose or require the consent of the holders of the B Shares.

165.5.2 A reduction by the Company of the capital paid up or credited as paid up on the B Shares and the cancellation of such shares shall be treated as being in accordance with the rights attaching to the B Shares and shall not involve a variation of such rights for any purpose or require the consent of the holders of the B Shares.

165.5.3 Without prejudice to the foregoing, the Company is authorised to reduce (or purchase shares in) its capital of any class or classes and such reduction (or purchase) shall not involve a variation of any rights attaching to the B Shares for any purpose or require the consent of the holders of the B Shares.

165.5.4 If at any time a currency other than Sterling is accepted as legal tender in the United Kingdom in place of or in addition to Sterling, the Directors shall be entitled, without the consent of holders of ordinary shares, B Shares, C Shares, D Shares, 2014 Deferred Shares, to make such arrangements and adjustments in respect of the method of calculation and payment of any of the entitlements of holders of B Shares under these Articles as the Directors consider necessary, fair and reasonable in the circumstances to give effect to the rights of the B Shares. Any such arrangements and adjustments shall not involve a variation of rights attaching to the B Shares for any purpose.

165.6 Deletion of Articles 165.1 to 165.6

Articles 165.1 to 165.6 shall remain in force until there are no longer any B Shares in existence notwithstanding any provision in the Articles to the contrary. Thereafter Articles 165.1 to 165.6 shall be deemed to be of no effect (save to the extent that the provisions of Articles 165.1 to 165.6 are referred to in other Articles) and shall be deleted and replaced with the wording “Articles 165.1 to 165.6 have been deleted”, and the separate register for the holders of B Shares shall no longer be required to be maintained by the Company; but the validity of anything done under Articles 165.1 to 165.6 before that date shall not otherwise be affected and any actions taken under Articles 165.1 to 165.6 before that date shall be conclusive and shall not be open to challenge on any grounds whatsoever.”

2. Rights attaching to the C Shares

The following constitutes the proposed article to be introduced into the Articles of Association relating to the rights and restrictions attaching to the C Shares:

“166. RIGHTS AND RESTRICTIONS ATTACHED TO THE C SHARES

166.1 Election Form

166.1.1 Together with the Circular, Shareholders who held their Existing Ordinary Shares in certificated form were sent an Election Form relating to the B Shares and C Shares proposed to be created by the Company, as more fully described in the Circular. Pursuant to the Election Form or, where Shareholders held their Existing Ordinary Shares in uncertificated form, by following the instructions set out in the Circular, Shareholders could make an Election, among other things, to receive C Shares in respect of which the Special Dividend (as defined in Article 166.2.1 below) would be paid.

166.1.2 Shareholders who do not validly complete and return their Election Form or, in the case of Shareholders who hold their Existing Ordinary Shares in uncertificated form, do not send a valid TTE instruction by 1.00 p.m. on Thursday 24 April 2014 (or such later time and/or date as the Directors may determine in their absolute discretion (but being not later than 28 April 2014)) and all Non-United Kingdom Shareholders, will be deemed to have elected for the Dividend Alternative (as defined and described in the Circular) in respect of each Existing Ordinary Share held by them.

166.1.3 The Directors, in their absolute discretion, shall determine all questions as to the form and validity (including time and place of receipt) of any Election Form, which determination shall be final and binding. The Directors also reserve the absolute right to waive any defect or irregularity in relation to, or in relation to the receipt of, any Election Form completed by or on behalf of any Shareholder and such determination will be binding on such Shareholder.

166.2 Income

166.2.1 Out of the profits available for distribution, a special dividend of 4.5 pence per C Share (the “**Special Dividend**”) shall, subject to such conditions as the Directors may determine, be payable to those holders of C Shares who have elected or be deemed pursuant to Article 166.1.2 above to have elected to receive the Special Dividend.

166.2.2 Such Special Dividend shall, if declared, become payable on 5 May 2014 or such later date as the Directors may determine. Each C Share in respect of which such dividend becomes payable shall, on such date (or such other date as the Directors may determine), subject to and following such declaration, be automatically converted into a deferred share of 0.05 pence nominal value with the rights and restrictions described in Article 167 (a “**2014 Deferred Share**”).

166.2.3 Neither the Company nor any of its Directors, officers or employees shall have any liability to any person for any loss or damage arising as a result of the choice of the date on which the Special Dividend is declared or paid.

166.3 Capital

The holders of the C Shares will not be entitled to be paid any amount on a return of capital on a winding-up or otherwise (including a court-approved reduction of capital paid up on the C Shares pursuant to the 2006 Act).

166.4 Voting and general meetings

The holders of C Shares shall not be entitled, in their capacity as holders of such shares, to receive notice of any general meeting of the Company nor to attend, speak or vote at any such general meeting.

166.5 Class rights

166.5.1 The Company may from time to time create, allot and issue further shares, whether ranking *pari passu* with or in priority or subsequent to the C Shares. The creation, allotment or issue of any such further shares (whether or not ranking in any respect in priority to the C Shares) shall be treated as being in accordance with the rights attaching to the C Shares and shall not involve a variation of such rights for any purpose or require the consent of the holders of the C Shares.

166.5.2 A reduction by the Company of the capital paid up or credited as paid up on the C Shares without the payment of any amount to holders of the C Shares and the cancellation of such shares shall be treated as being in accordance with the rights attaching to the C Shares and shall not involve a variation of such rights for any purpose or require the consent of the holders of the C Shares.

166.5.3 Without prejudice to the foregoing, the Company is authorised to reduce (or purchase shares in) its capital of any class or classes and such reduction (or purchase) shall not involve a variation of any rights attaching to the C Shares for any purpose or require the consent of the holders of the C Shares.

166.5.4 If at any time a currency other than Sterling is accepted as legal tender in the United Kingdom in place of or in addition to Sterling, the Directors shall be entitled, without the consent of holders of ordinary shares, B Shares, C Shares, D Shares, or 2014 Deferred Shares, to make such arrangements and adjustments in respect of the method of calculation and payment of any of the entitlements of holders of C Shares under these Articles as the Directors consider necessary, fair and reasonable in the circumstances to give effect to the rights of the C Shares. Any such arrangements and adjustments shall not involve a variation of rights attaching to the C Shares for any purpose.

166.6 Deletion of Articles 166.1 to 166.6

Articles 166.1 to 166.6 shall remain in force until there are no longer any C Shares in existence notwithstanding any provision in the Articles to the contrary. Thereafter Articles 166.1 to 166.6 shall be deemed to be of no effect (save to the extent that the provisions of Articles 166.1 to 166.6 are referred to in other Articles) and shall be deleted and replaced with the wording “Articles 166.1 to 166.6 have been deleted”, and the separate register for the holders of C Shares shall no longer be required to be maintained by the Company; but the validity of anything done under Articles 166.1 to 166.6 before that date shall not otherwise be affected and any actions taken under Articles 166.1 to 166.6 before that date shall be conclusive and shall not be open to challenge on any grounds whatsoever.”

3. Rights attaching to the 2014 Deferred Shares

The following constitutes the proposed article to be introduced into Articles of Association relating to the rights and restrictions attaching to the 2014 Deferred Shares:

“167. RIGHTS AND RESTRICTIONS ATTACHED TO THE 2014 DEFERRED SHARES

167.1 Rights and restrictions

In this Article 168: “**2014 Deferred Shares**” means the deferred shares of 0.05 pence each in the capital of the Company.

167.2 Income

The 2014 Deferred Shares shall confer no right to participate in the profits of the Company.

167.3 Capital

168.7.1 On a return of capital on a winding-up (excluding any intra-group re-organisation on a solvent basis) there shall be paid to the holders of the 2014 Deferred Shares the nominal capital paid up or credited as paid up on such 2014 Deferred Shares after first paying to the holders of the Ordinary Shares the nominal capital paid up or credited as paid up on the Ordinary Shares held by them respectively, together with the sum of £100,000 on each Ordinary Share.

168.7.2 The holders of the 2014 Deferred Shares shall not be entitled to any further right of participation in the assets of the Company.

167.4 Voting and general meetings

The holders of the 2014 Deferred Shares shall not be entitled to receive notice of any general meeting of the Company or to attend, speak or vote at any such meeting.

167.5 Class rights

167.5.1 The Company may from time to time create, allot and issue further shares, whether ranking *pari passu* with or in priority to the 2014 Deferred Shares, and on such creation, allotment or issue any such further shares (whether or not ranking in any respect in priority to the 2014 Deferred Shares) shall be treated as being in accordance with the rights attaching to the 2014 Deferred Shares and shall not involve a variation of such rights for any purpose or require the consent of the holders of the 2014 Deferred Shares.

167.5.2 The reduction by the Company of the capital paid up on the 2014 Deferred Shares shall be in accordance with the rights attaching to the 2014 Deferred Shares and shall not involve a variation of such rights for any purpose and the Company shall be authorised at any time to reduce its capital (subject to the confirmation of the court in accordance with the 2006 Act) without obtaining the consent of the holders of the 2014 Deferred Shares.

167.6 Transfer and purchase

The Company may at any time (and from time to time), without obtaining the sanction of the holder or holders of the 2014 Deferred Shares:

167.6.1 appoint any person to accept any offer and agree to sell and to execute on behalf of any holder of 2014 Deferred Shares a transfer of all of the 2014 Deferred Shares or any part thereof (and/or an agreement to transfer the same) to the Company or to such person as the Directors may determine (whether or not an officer of the Company), in any case for not more than one penny for all the 2014 Deferred Shares then being purchased without any requirement to indemnify or to obtain the consent or sanction of the holders thereof or any of them and for the purposes of such purchase to appoint a person to execute (on behalf of the holders of such 2014 Deferred Shares) a contract for the sale to the Company of any 2014 Deferred Shares held by any such holders and to receive the consideration on behalf of any such holders without any obligation to pay such consideration (or any proportion thereof) or otherwise be accountable in respect thereof to such holders; and

167.6.2 cancel all or any of the 2014 Deferred Shares so purchased by the Company in accordance with the 2006 Act.

167.7 Deletion of Articles 167.1 to 167.7 when no 2014 Deferred Shares in existence

Articles 167.1 to 167.7 shall remain in force until there are no longer any 2014 Deferred Shares, notwithstanding any provision in the Articles to the contrary. Thereafter Articles 167.1 to 167.7 shall be deemed to be of no effect (save to the extent that the provisions of Articles 167.1 to 167.7 are referred to in other Articles) and shall be deleted and replaced with the wording “Articles 167.1 to 167.7 have been deleted”, and the separate register for the holders of 2014 Deferred Shares shall no longer be required to be maintained by the Company; but the validity of anything done under Articles 167.1 to 167.7 before that date shall not otherwise be affected and any actions taken under Articles 167.1 to 167.7 before that date shall be conclusive and shall not be open to challenge on any grounds whatsoever.”

PART 5

UNITED KINGDOM TAXATION IN RELATION TO THE RETURN OF CASH

The comments below are intended only as a general guide to the current tax position under United Kingdom law and HM Revenue & Customs practice and are not intended to be and should not be construed as legal or taxation advice to any particular Shareholder. These comments apply to Shareholders who are resident in or ordinarily resident in the United Kingdom for tax purposes, are the beneficial owners of their Existing Ordinary Shares and hold such shares as investments and not on trading account. The position may be different for any future disposal and may alter between the date of this document and the date of the Return of Cash.

Shareholders who are in any doubt as to their tax position or who are subject to tax in a jurisdiction outside the United Kingdom should consult their independent professional adviser.

1. Share Split

For the purposes of United Kingdom taxation of chargeable gains, the receipt of the New Ordinary Shares together with either B Shares or C Shares (as the case may be) pursuant to the Share Split should not constitute a disposal or part disposal of a Shareholder's holding of Existing Ordinary Shares and will be treated as a tax free re-organisation of the Company's share capital.

2. Purchase of B Shares by finnCap under the Tender Offer

The purchase of B Shares by finnCap under the Tender Offer from a Shareholder should not be treated as an income distribution (but see section below headed "Chapter 1, Part 13 ITA 2007") and therefore should not be subject to tax as income in the hands of Shareholders and accordingly will carry no tax credit.

The purchase of B Shares by finnCap under the Tender Offer should be regarded as a disposal of those shares for the purposes of the taxation of chargeable gains. This may give rise to a chargeable gain or an allowable loss, depending upon the Shareholder's circumstances, including the Shareholder's base cost in the B Shares. It is expected that the Shareholder's original base cost in the Existing Ordinary Shares will be apportioned between his New Ordinary Shares and his B Shares, by reference to their respective market values when the B Shares are purchased by finnCap under the Tender Offer. For these purposes, it is expected that HM Revenue & Customs will calculate the market value of the New Ordinary Shares by reference to their price quoted or published on the first day of dealings in the New Ordinary Shares (this is expected to be the Closing Price). It is expected that the market value of each B Share on that date will be approximately 4.5 pence.

Any gains realised by individual Shareholders (being the aggregate of the net chargeable gains on the redemption of the B and/or C Shares and all other gains realised by that shareholder in the year of assessment (and after taking into account allowable losses) above their annual exemption (£11,100 for the tax year 2014/2015) would be subject to capital gains tax at 18 per cent. to the extent that a Shareholder's total taxable income and gains do not exceed an individual's basic rate of income tax band (£31,865 for the tax year 2014/2015). To the extent that any gains exceed the basic rate of income tax band, an individual Shareholder would be subject to capital gains tax at 28 per cent.

Gains realised by Shareholders who are subject to corporation tax would be subject to corporation tax on chargeable gains at up to 21 per cent.

3. Payment of Special Dividend on C Shares

The payment of the Special Dividend in respect of each C Share should be treated as an income distribution. The payment of the Special Dividend in respect of each C Share will not be treated as giving rise to a disposal of the C Share for the purposes of the taxation of chargeable gains.

An individual Shareholder who is resident in the United Kingdom for tax purposes will be entitled to a tax credit in respect of the Special Dividend, currently equal to one-ninth of the cash dividend received or 10 per cent. of the aggregate of the cash dividend received and the related tax credit (the “**gross dividend**”). The related tax credit can be set against the individual Shareholder’s total liability to income tax on the Special Dividend.

An individual Shareholder who is liable to income tax at no more than the basic rate will be subject to income tax at the rate of 10 per cent. on the gross dividend and so the tax credit will satisfy in full the individual Shareholder’s liability to income tax on the dividend received.

An individual Shareholder who is liable to income tax at the higher rate will be subject to tax at the rate of 32.5 per cent. on the gross dividend to the extent that the gross dividend, when treated as the top slice of the Shareholder’s income, falls above the threshold for higher rate income tax and below £150,000. The related tax credit will not fully satisfy the individual Shareholder’s liability to income tax on the gross dividend and the Shareholder will have to account for additional tax equal to 22.5 per cent. of the gross dividend which equates to 25 per cent. of the net dividend received.

An individual Shareholder will be subject to tax at the rate of 37.5 per cent. on the gross dividend to the extent that the gross dividend, when treated as the top slice of the Shareholder’s income, falls above £150,000. The related tax credit will not fully satisfy the individual Shareholder’s liability to income tax on the gross dividend and the Shareholder will have to account for additional tax equal to 27.5 per cent. of the gross dividend, which equates to 30.6 per cent. of the net dividend received.

United Kingdom resident Shareholders who are not liable to United Kingdom tax on the Special Dividend will not be entitled to claim repayment of the tax credit attaching to the Special Dividend.

Corporate Shareholders who are resident in the United Kingdom will generally not be subject to corporation tax on the Special Dividend insofar as it constitutes an exempt distribution as referred to in Part 9A of the Corporation Tax Act 2009. Corporate Shareholders should consult their own tax adviser to ascertain which exempt class (if any) applies to them.

4. Conversion of C Shares and purchase of 2014 Deferred Shares

For the purposes of United Kingdom taxation of chargeable gains, the conversion of C Shares to 2014 Deferred Shares should not constitute a disposal or part disposal of a Shareholder’s holding of C Shares.

The purchase of 2014 Deferred Shares by the Company will be regarded as a disposal of those shares for the purposes of the taxation of chargeable gains. However, it is expected that no chargeable gain should be realised by a Shareholder upon that disposal of his 2014 Deferred Shares.

It is also expected that the New Ordinary Shares held by a Shareholder who opts entirely for C Shares will carry a base cost broadly equal to his original base cost in the Existing Ordinary Shares, as none of the base cost of a Shareholder’s Existing Ordinary Shares should be attributable to his C Shares.

5. Chapter 1, Part 13 ITA 2007

If Chapter 1, Part 13 ITA 2007 applied in respect of the purchase of B Shares by finnCap under the Tender Offer, Shareholders who are United Kingdom income taxpayers might be liable to taxation as if they had received a dividend equal to the amount received. The Company has not applied for a clearance under section 701 ITA 2007 in this regard. However, having consulted with leading tax counsel, the Company does not expect that Chapter 1, Part 13 ITA 2007 should apply to Shareholders who elect for B Shares. If, however, Chapter 1, Part 13 ITA 2007 were to apply, UK income taxpayers who elect for B Shares are likely to be liable to taxation as if they had received a dividend equal to the payment received from the Company.

6. General Anti-Abuse Rule

Finance Act 2013 introduced a new general anti-abuse rule (the “GAAR”) under which tax advantages which are obtained from certain arrangements which are undertaken for the purposes of obtaining a tax advantage

can be counteracted. In determining whether an arrangement is abusive and hence within the ambit of the legislation the test to be applied is whether entering into or carrying out the arrangements cannot reasonably be regarded as a reasonable course of action in relation to the relevant tax provisions, having regard to all the circumstances. HMRC have published guidance on the type of arrangements they consider would normally fall within the ambit of this legislation and those they would not. This guidance states that arrangements which have been so long standing within practice as to become accepted as standard practice by HMRC will not normally be caught by the legislation. The guidance specifically refers to structures which are used by listed companies to return funds to shareholders in such a way that shareholders can elect to receive in income or capital form as falling within this category. As a result it is considered unlikely HMRC would seek to apply the GAAR to these arrangements.

7. Stamp duty and stamp duty reserve tax

Except in relation to depositary receipt arrangements or clearance services, where special rules apply (see below):

- no stamp duty or stamp duty reserve tax (“SDRT”) will be payable on allocation or issue in uncertificated or certificated form of the New Ordinary Shares and B Shares or C Shares pursuant to the Share Split; and
- an unconditional agreement to sell New Ordinary Shares, B Shares or C Shares will normally give rise to a liability on the purchaser to SDRT, at a rate of 0.5 per cent. of the value or the amount of the actual consideration paid. Subject to an exemption for certain low value transactions, the transfer or sale of the relevant New Ordinary Shares, B Shares or C Shares outside the CREST system will be subject to stamp duty on the system of transfer at the same rate of 0.5 per cent. of the actual consideration paid (rounded up to the nearest £5). If the relevant instrument of transfer is executed and duly stamped within six years of the date of the agreement, or if the agreement was conditional the date when the agreement became unconditional, the SDRT charge will be cancelled and any SDRT already paid will be refunded.

Stamp duty at 0.5 per cent. will be payable on a purchase of B shares by finnCap under the Tender Offer and on a purchase of B Shares by the Company from finnCap.

Under the CREST system for paperless share transfers, deposits of shares into CREST will not be subject to stamp duty or SDRT provided that, in the case of SDRT the transfer is not for money or money’s worth. A transfer of shares effected on a paperless basis through CREST will generally be liable to SDRT, rather than stamp duty, at the rate of 0.5 per cent. of the amount or value of the consideration payable, which HM Revenue & Customs will collect and which will be accounted for by Euroclear (such SDRT generally being payable by the transferee or purchaser).

The above statements are intended only as a general guide to the current stamp duty and SDRT position. Transfers to certain categories of person are not liable to stamp duty or SDRT and others may be liable at a higher rate or may, although not primarily liable for SDRT, be required to notify and account for it. For example, where shares are issued or transferred to a depositary or clearance service operator, or in either case its nominee, stamp duty or SDRT will generally be payable at a higher rate of 1.5 per cent. of the value or amount of the consideration payable, or, in certain circumstances, the value of the securities (rounded up in the case of stamp duty to the nearest £5). Shareholders are strongly advised to consult their own professional tax advisers if they consider these special rules may apply to them.
